

Hi Everyone,

I am not sure the last email I sent actually went to everyone, so I thought I'd try again. We are meeting this week at China Grove Elementary in the Media Center. The meeting starts as usual with refreshments at 3:30 with the business portion and program starting at 4:00. Our program has changed from what is in the handbook because of a scheduling conflict. Libby Staton will make a presentation on the Tutoring Program for China Grove students held at St. Mark's Lutheran Church. This should be an informative and timely program as more schools look for ways to help their students and to connect with local agencies and churches.

In addition to our program, we are voting on potential new members for DKG. I think we have about 10 to 15 nominees to consider and hope that we will have a big new class of people to induct in May. Also, our regional directors will be here and I am looking forward to introducing you to them.

Don't forget that the May induction ceremony and brunch is May 5, 2009 at John Calvin Presbyterian Church.

GREETERS: Sammie Hinshaw, Carolyn Myers, Ollie McKnight, Lisa Schnuitt, and Susan Waller. (Susan Waller's mother-in-law passed away this morning - she will not be at the meeting Thursday).

ATTENDANCE: Becky Withers, Jane Watson, Stella Isenberg, Shari Bivens, and Sandra Rogers.

HOSTESSES: Christine Barringer, Julia Patton, Carolyn Coble, Sue Dodd, and Karen Foster.

Look forward to seeing all of you on Thursday!!!
