Happy New Year!!!

Just a quick reminder to everyone that we are starting a new year with our meeting this **Thursday, January 9, 2009 in the media center at Southeast Middle School (1570 Peeler Road)**. The program will be on the Rowan-Salisbury Early College and Cindy Misenheimer, the principal for the early college will be the presenter. I look forward to seeing all of you there at the meeting. Don't forget that social time starts at 3:30. Devotions (led by Betty Cox), DKG business, and the program start at 4:00.

At the last meeting, many of you were able to pick up temporary fillers for our red books, and we will receive our REAL inserts for the red books at Thursday's meeting, but as a reminder... The greeters for Thursday are Jane Britt, chairperson, Shirley Dissler, Cindy Pope, Phyllis Martin, and Pam Lippard. The Attendance chair is Susan Eldridge, assisted by Shonda Hairston, Suzanne Cox, and Ruby Steele. Hostesses are Lovetta Moore, Dot Smith, Sarah Hensley, Irene McCann, and Catherine Hall. I can't wait to see all of you and to hear about the RSS Early College. I really want to know more about it.

I hope all of you were able to avoid the "BUG" that has been around this fall. Everyone in my family was hit over Christmas, some of us were hit harder than others, but all five of us experienced it – one after the other. I hope this was the one and only time for me, it was a miserable experience and certainly took the time I had planned to do all sorts of activities – newsletters, books, movies, lesson plans, etc. – and threw it out the window. Oh well, at least I am well enough to start school tomorrow.

Our agenda for the spring includes nominating and installing new members so I need all of you to think about potential new members to consider for DKG and nominate them. I will have forms available at the meeting on Thursday and you can also access them online at: <http://www.deltakappagamma.org/NC/membership.pdf> We have lost some members with the dues increase and with people moving, so I would really like to have a large group of new members to join our wonderful organization. I am always impressed when we meet and I have a chance to talk with our current members and would love to share that with others. I sometimes feel we are a best-kept secret. We need to tell people about Delta Kappa Gamma and encourage others to join us.

SEE YOU THURSDAY, JANUARY 8, 2009 at 3:30 at SOUTHEAST MIDDLE!!!

A more detailed newsletter will be mailed after the meeting this week.
